Mr. V.P. Bahuguna, Advocate for the petitioner.

Mr. Narayan Dutt, Brief Holder for the State.

Mr. N.S. Pundir, Advocate for respondent nos.2 and 3.

Mr. Pankaj Purohit, Advocate for respondent no.4.

List this matter after four weeks for hearing.

Meanwhile, respondents may file counter affidavit.

Petitioner has filed interim relief application no.1 of 2021 alongwith prayer that the exercise for departmental promotion be taken prior to the selection process for direct recruitment.

The dispute is with regard to recruitment to the post of Junior Engineer in the Uttarakhand Power Corporation Limited. There are two modes of recruitments, one by way of promotion and another by way of direct recruitment. In promotion, there are two categories, one departmental promotion and another accelerated promotion, but, that is not an issue here.

The process for direct recruitment is halfway through as it is informed that pursuant to an advertisement issued in the year 2016, the written examination has already been conducted and anytime in future, the result may be declared and processed accordingly.

It is also the case that, in fact, the process for departmental promotion has also been initiated by respondent nos. 2 and 3 on 14.04.2020.

Learned counsel for respondent nos.2 and 3 states that records of the candidates

have already been received and the department is processing them.

The Uttarakhand Power Corporation Limited Junior Engineer (Electrical and Mechanical) Service Regulation, 2018 are in force. Rule 18 of it provides for determination of vacancies in a year so that they may be filled up. In fact, Rule 11 of it provides cut-off date for determining age.

Having considered the submissions, till the next date of listing, respondent nos.2 and 3 are restrained to give appointment either to direct recruit or to the promotional recruit, independently.

Respondent nos. 2 and 3 are free to declare result of both the categories simultaneously.

Interim Relief Application No.1 of 2021 stands disposed of accordingly.
